Meeting Minutes

Mike Coulson, P.E., Chair, Air Quality Advisory Forum, East-West Gateway Council of Governments, welcomed everyone and gave an introduction to the I/M Summit meeting by sharing a brief history of the air quality developments in St. Louis and the I/M Summit Kickoff Meeting.

Leanne Tippet Mosby, Missouri Department of Natural Resources Air Pollution Control Program Director, welcomed everyone and explained the mission of the I/M Summit meeting.

Haskins Hobson, P.E., Missouri Department of Natural Resources Air Pollution Control Program I/M Team Coordinator, presented “Kickoff Meeting Questions and Answers”. For a copy of this presentation, see

More detailed supporting documentation for this presentation will be posted to <http://www.dnr.mo.gov/alpd/apcp/sipworkgrp/sipgrpmain.htm#IM> within the following week.

Haskins Hobson, P.E., Missouri Department of Natural Resources Air Pollution Control Program I/M Team Coordinator, then presented “I/M Design Concepts” which included a recap of the presentation by Wendy Vit, Missouri Department of Natural Resources Air Pollution Control Program Environmental Engineer, entitled “Overview of Ozone in St. Louis” and the presentation by Josh Tapp, Environmental Protection Agency Air Planning & Development Branch Chief, entitled “EPA R7’s Perspective on the St. Louis I/M Program”. For a copy of this presentation, see

http://www.dnr.mo.gov/alpd/apcp/SIPWORKGRP/imsummit/8-5-05mtg/im_design_concepts8-4-05.pdf.

After lunch, Haskins Hobson, P.E., Missouri Department of Natural Resources Air Pollution Control Program I/M Team Coordinator, presented “I/M Design Decisions”. (Mr. Hobson did not complete the full presentation due to time limitations. Mr. Hobson will complete the presentation at the August 19th meeting.) For a copy of this presentation, see
